

Wellesbourne Matters

ACTIVE AIRFIELD OR ENORMOUS HOUSING ESTATE **You can help decide**

If Gladman Developments' proposal for up to 1600 new houses on Wellesbourne Airfield is successful it will mean:

No more flying, no more viable aviation businesses, no more aviation employment, no more Vulcan, no more Café, No more training, no more museum, no more meeting with friends, no more air displays, no more market, no more fly-by's, no more interesting visitors, no more inspiration, all in all you are being asked to lose an awful lot in exchange for some houses.

Wellesbourne Matters is working hard on your behalf to prevent this from happening. However, we need your support. With the best will in the World we can only fight this proposal if there are sufficient funds in place to pay for the expert evidence and representation that is vital to fight this threat.

Despite what you may have read or heard, this threat to your everyday life is still very real. We need a contribution of £25.00 from everybody that enjoys the amenities of Wellesbourne Airfield in order to continue this important work, however, any donation would be very warmly received. Every penny of your donation goes towards the cause.

We hope you will agree that £25 a very small price to pay to defend this important Local and National asset.

If paying by Cheque please make payable to Wellesbourne Matters and send to Wellesbourne Matters C/O Cherry Cottage, Cherry Orchard Wellesbourne CV35 9NB or go on line and use PayPal at
